

CompWest Safety Training Center for the Healthcare Industry

The CompWest Difference

CompWest customers are assigned a dedicated loss control consultant to identify and address loss trends while serving as a safety resource.

CompWest provides insureds with access to our Safety Training Center. This valuable service provides a variety of online training courses, including new modules specific to the healthcare industry. Safety training courses are available in English and Spanish and have Android and Apple mobile device compatibility.

The CompWest Safety Training Center can help you meet your employee training goals and provide consistent delivery of training content.

Healthcare training titles include:

- Bloodborne Pathogens for Healthcare Workers
- Electrical Safety for Healthcare Workers
- Emergency Preparedness for Healthcare Workers
- Ergonomics for Healthcare Workers
- Handling Medical Waste

CompWest

CompWest is a division of AF Group. All policies are underwritten by a licensed insurer subsidiary. For more information, visit afgroup.com. © AF Group.

 AF Group

- Hazard Communication for Healthcare Workers
- HIPAA Privacy Rule: What Healthcare Workers Need to Know
- How to Lift and Transfer Patients Safely
- How to Prevent Slips, Trips, and Falls - Healthcare Workers
- How to Prevent Workplace Violence – A Guide for Healthcare Workers
- Laboratory Safety for Healthcare Workers
- Personal Protective Equipment for Healthcare Workers
- Respiratory Protection for Healthcare Workers

How to access the Safety Training Center:

The training center is easy to use. After registering on our website, you will be granted access and can begin employee training immediately. Employees can use a single access code to enter the training center. Training reports and completion certificates are available once a course has been completed.
