"I'm very confident that whatever CompWest says they're going to do, they're either going to deliver on that level or exceed."

Jon Siglar
C.O.O., H&S

\$3.2B
Gross Written Premium

- * Based on savings compared to internal benchmark.
- ** On average, a policyholder with an initial ex-mod >1.25 who has been with CompWest for at least four years will experience a 29% reduction. Based on 2005-2022 policy year data

CompWest is a dynamic provider of workers' compensation, providing leading strategies and innovative insurance solutions. Our dedicated loss control consultants help implement customized loss prevention strategies, while our Workers' Compensation with Care[®] and Keep At Work[®] programs assist injured workers throughout the claims process. Additionally, our cutting-edge claims and legal strategies reduce unnecessary litigation and quickly resolve disputed claims.
